**WHEEL MASKER**

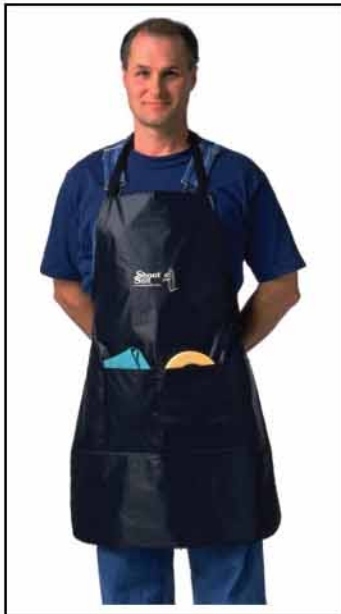

Nylon covers don't have wires to catch in exhaust grates or snag on air hose. No wires make the covers machine washable, fast & easy to get on & off. While the covers are cut large enough for passenger cars & most light pickup tires (up to approx.235-15) the elastic will still pull them snug on smaller tires. Mask & Unmask tires in a SNAP.

**T-SHIRT**

The unique Shoot Suit trademarked T-Shirt. Available in Black - white logo or Grey - black logo

Available in L X-L & 2XL

**UTILITY APRON**

Our utility apron is made with a durable coated Nylon outer shell and Poly Cotton lining. Excellent for paint mixing, detailing, buffing and paint prep work.
